

It is with a heavy heart that we announce the retirement of the practice's longest serving dentist, Mrs Aileen Ross BDS.

Aileen will conclude her tenure on the 29th of November 2017. She looks forward to spending more time with her husband, David, and her extended family in New Zealand.

We wish her well and hope that she will be a regular visitor to Hamilton Road Dental Practice.

Aileen's patient will transfer to Miss Lucy McGread BDS. Lucy spent 2 and a half years at Hamilton Road Dental Practice before moving to New Zealand for to work as a dentist in Auckland.

We have managed to convince Lucy to return to Hamilton Road Dental Practice to continue where she left off.

Lucy will assume her new extended role on the 3<sup>rd</sup> of January 2018 and will offer appointments on Tuesdays, Wednesdays, Thursdays and Fridays.

The patients that were registered to Lucy will return to her care in addition to the patients transferring from Aileen.

Until Lucy's start date, any and all patient treatment needs will continue to be met by the practice, primarily, by John McKenna and Shane McElhinney.

If you have any queries about this please feel free to contact our reception staff and Practice Manager, Vikki Harvey.
